II Minutes – motion made and passed to approve November Minutes.

III Principal's Report: Brad discussed various support programs available to our students including a drop in homework club that is getting so much business that it will probably be expanded. He also announced that HPHS is the recipient of the Schuler Foundation Partnership. This project focuses on lower economic students and first generation college bound students as well as helping undocumented students. This is a very exciting opportunity for HPHS and one that is needed. The Foundation actually pays for an employee to be housed in the school to work with students that fall in the categories just mentioned.

III President's Report: PTO will hold it's annual parent education meeting/program in January. The program is to be held Jan. 28 and is called "Are You Online or Out of Touch".

IV Committee Reports:

Fine Arts Co.: Beth Shapiro Kopin discussed the Fine arts Committee recent exhibit. A display of murals throughout District 112 and 113. You may obtain a map from the district office to plan your viewing of the paintings.

Grad Night Co: Susan Berk gave an update on the plans for grad night which will include an all nighter/ lock in at the Enchanted Castle. Unfortunately the Grad Night meeting was held the night of one of our major winter storms so there was very little attendance.

Meeting adjourned at 10:30am

Respectfully submitted,
